SO ORDERED:

 HON. NELSON S. ROMAN
 UNITED STATES DISTRICT JUDGE

Please accept this letter as a consent request to continue the self surrender date of the above referenced defendant for thirty days. My. Lopez, who is sixty-eight years old, was sentenced by Your Honor on June 25, 2021, and given a self surrender date of July 30, 2021, at noon. The undersigned was contacted by the client this afternoon stating that he had not yet received his designation from the Bureau of Prisons. I immediately contacted the U.S. Marshall's for information regarding his designation however, I have not yet received the client's designation. Upon a review of the docket it appears that the Judgment in this case has not yet entered and therefore the Bureau of Prisons would not have been informed of the self surrender date. The undersigned respectfully requests a continuance of Mr. Lopez's self surrender date to allow a designation from the Bureau of Prisons. Lastly, Assistant United States Attorneys David Felton, and Emily Deininger, have informed the undersigned that they consent to the request for a continuance of the self surrender date for thirty days. Therefore, for all of the above reasons the undersigned respectfully requests a continuance of the defendant's self surrender date.

Very truly yours,

 Francis L. O'Reilly
